Abdullah Ahmed Abbas

Data Analyst

Egypt, Cairo

LinkedIn | ***GitHub*** | ***Portfolio***

PROFESSIONAL SUMMARY

Motivated Data Analyst with hands-on training in Excel and Power BI, gained through intensive professional programs. Skilled in cleaning and transforming raw data, building interactive dashboards, and translating business questions into clear, actionable insights through pivot tables, DAX measures, and KPI tracking. Strong analytical mindset with a passion for turning data into decisions, seeking to grow as a Junior Data Analyst in a collaborative, data-driven environment. Comfortable working across the full analysis workflow, from raw data collection and cleaning to visualization and stakeholder-ready reporting.
